## Manual for School Students

The Manual, written BY and FOR school students, is a journey throughout the creation of a democratic school student organisation, imagined as a space trip in the "school student universe". The Manual is the result of the work of a year-long Working Group.

## publications

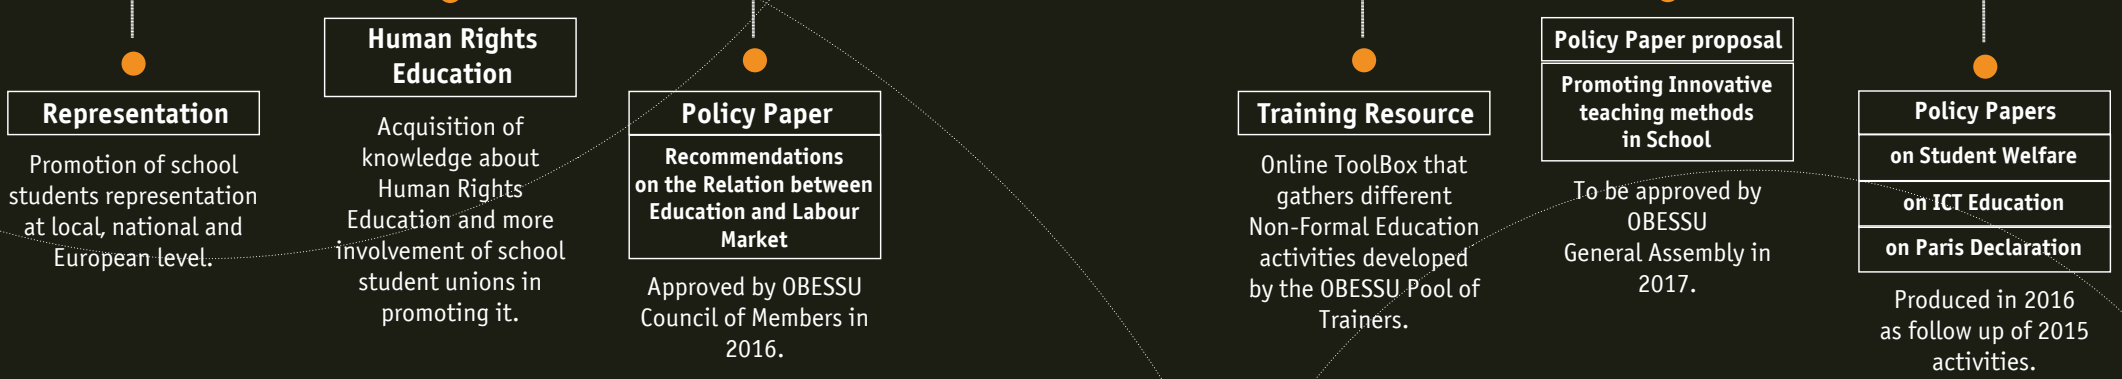

**A Joint Vision for Secondary and Higher Education for All in Europe**

Together with European Students' Union (ESU) and Education International (EI) we developed a joint statement in relation to the 2030 Sustainable Development Agenda and its 17 related goals, which the United Nations adopted in September 2015.

**Inspiring! Youth Organisations contribution to citizenship education**

The work of OBESSU has been featured in the publication of European Youth Forum (YFJ) on the topic of citizenship education.
